Model : 8252D

Enhance your mobile entertainment experience with the MiNote 8252D!

The MiNote 8252D laptop is an impressive laptop with a feature-list geared towards today's demanding applications. It combines the latest Core 2 Duo processors based on the Santa Rosa platform from Intel with the award-winning, GeForce Go 8600 graphics architecture from NVIDIA to offer unparalleled levels of graphics realism and performance with movie-quality effects. Fully compatible with the Vista operating system from Microsoft and housed in an elegant 15.4-inch widescreen display unit, this laptop is a highly desirable mobile entertainment unit for home, work or play!
