Exceptional Feature-rich Performance

Model : 8227D

Step up to the challenge and deliver with the MiNote 8227D

When it comes to high-performance gaming or multimedia, bigger is usually better! The MiNote 8227D heralds the next performance leap in Intel Core 2 Duo processors and offers a staggering 17 inches of widescreen, crystal-clear viewing. Combine the power of two with the DirectX 10 ready NVIDIA GeForce 8600M graphics architecture to ensure your laptop blitzes through multi-threaded applications or the latest shoot-em-up games. Stay in touch with close friends and family courtesy of the integrated 1.3MP camera as you make use of Bluetooth and wireless connectivity options. Get ready to work smarter, game harder or both: it's your choice to make!
