MiNote : 8515

**X-Glass
Screen**

Latest mobile technology at an affordable price

The MiNote 8515 laptop delivers mobility, productivity and unbelievable value in a thin and lightweight design. Although perfectly suited for basic computing needs such as word processing, spreadsheets and surfing the internet, it delivers a balanced level of mobile performance with the help of the latest Core 2 Duo mobile processor from Intel. No compromise has been made on the 15.4" widescreen display which offers crisp, clear images without any strain to your eyes. There is also the added benefit of secure wired and wireless connectivity capabilities to keep you more productive for longer. This laptop is quite simply a reliable, versatile all-rounder that will increase your efficiency at home, at work or at play.
